<p>Maya Bistro Hotel Beach is located in Sığacık, Turkey's first slow city (citta slow), surrounded by beautiful mandarin gardens in the west side of Seferihisar within the territory of Club Resort Atlantis, which has been serving for 30 years in the second degree archaeological site.</p> <p>Maya Bistro Hotel Beach is 60km to İzmir Airport and 1.5 km to the ancient city of Teos. As Maya Hotel Bistro Beach, our motto is to respect all nature and animals within the surrounding area and provide a peaceful stay and a special service to our guests.</p> <p>Our hotel has 25 cozy apart rooms that you can have a peaceful stay feeling like at home as we are also welcome to stay with pets your pets with an additional fee. In addition, we have a new restaurant with a great sea view that is recently opened with 80 people service capacity and also have two cocktail bars for summer and winter season. We are serving special Turkish breakfast with special home-made bread on stone oven.</p> <p>Our menu for lunch includes pizza, pasta and salad which are cooked in stone oven. The graves prepared from the farmers of Seferihisar using carefully selected products from local producers are served daily. Our fish restaurant serves the fish as fresh and daily to the tabşer.</p> <p>At the Maya Bistro Hotel Beach Club, it is hard to understand how time passes while you are swimming and enjoying the clear blue sky and enjoying our delightful cocktails. You can take a walk to the ancient city Teos with the picnic baskets prepared for you or you can rent a bike to visit around including special landmarks and beaches. You can do fishing to take away the fatigue of city life or join our special workshops. Ion Club (windsurfing school), international diving school, yoga classes, meditation, breathing lessons are available at our hotel with additional fees.</p>
